## **BIRTHDAY Pawty Booking**

### **Farm Birthday Pawties**

Our Farm Birthday Pawties are a great way for you to celebrate your pup's special day by making it extra special. Our Farm Birthday Pawties are COMPLIMENTARY for regular bookings and are a small fee to cover costs for casual bookings. Our personalised Farm pupcakes are homemade and you can choose from 3 different flavours, as well as whether you'd like balloons to celebrate also! We do our best to try to take and upload as many pics and videos of the occasion but unfortunately WE CANNOT GUARANTEE the quantity and quality of footage on a rainy day. We also require at least 48 hours notice to prepare for a birthday.
